

Chelsey Debalsi

Chelsea's favorite thing about working at PPI is the family atmosphere, which she feels is the result of a small firm (approx. 50 employees) and phenomenal co-workers. Her second favorite thing is the variety of projects she gets to work on, allowing her to constantly learn. Going from designing a marketing piece, to analyzing survey results, to Web design, to ACA compliance ... and then back again ... is the perfect work environment for her.

Chelsey grew up in Canaan, NH, in what can only be called a very rural area. Her parents live on a dirt road, and the closest grocery store is 30 minutes away. She never realized how small her town was until she went to college in Connecticut, where she experienced (gasp!) pizza delivery. Now, as a young adult, she still lives in Connecticut, but loves going home to visit her family and friends. Chelsey got engaged this past October to her fiancé, Bill. They recently picked a venue (in NH, of course!) and a date in September 2017.

One of Chelsey's favorite things to do is travel. She grew up vacationing in Cape Cod and still goes back every summer. She and Bill went to Key West last May, just returned from Nashville and are heading to Mexico in April.
