

Coverage That Doesn't Gamble with Your Game

Looking for insurance solutions that won't leave your tournament's success up to chance? NFP has them with our Hole-in-One U.S.A. program. As experts in the industry, we have tournament operations know-how and knowledge about hole-in-one coverage, so you have confidence when it comes to making sure that your contests are fully covered. This program allows you to offer exciting prizes at a nominal fee, without taking the risk. Instead, we take the risk for you. The only question is, what type of prize you want to offer for your event.

The cost of your hole-in-one coverage is based on these elements:

- Number of golfers participating
- Length of the hole being played
- Total value of your main prize

TOTAL PROTECTION FROM A TRUSTED PARTNER

Every tournament is unique. We know this and work behind the scenes to make sure your event goes smoothly, so you can relax in the knowledge that your contest is 100-percent covered. When it comes to your hole-in-one coverage, let us be your established and trusted partner in the business. With multiple industry partnerships, we have the ability to best coordinate your coverage. Additionally, we're:

- The exclusive administrator of the Corporate Toyota/Lexus Hole-in-One program
- The exclusive partner for the Honda/Acura eMail Hole-in-One program
- An approved vendor for the FCA MarketCenter program
- Partners with regional Automobile Dealer Associations
- Partners with 19 PGA Sections and state Golf Associations
