

UNLOCK 0% APR CASH ADVANCES FOR EMPLOYEES

Support your employees by giving them access to 0% APR Instacash from NFP's partner MoneyLion. With Instacash, employees can get up to \$250 fast, and there's no integration work or cost to you (or them)!

- GET UP TO \$250
- ZERO INTEREST
- NO CREDIT CHECK
- NO MONTHLY FEE
- NO CREDIT IMPACT

SUPPORT YOUR EMPLOYEES WITH INSTACASH

Your employees can get 0% APR cash advances up to \$250 deposited into their chosen bank account today.

Simply direct them to [GET.MONEYLION.COM/NFP](https://get.moneylion.com/nfp) where they can create a MoneyLion account and sign up for Instacash.

It's really that simple! With no cost to you or your employees.

INSTACASH IS EASY AND POWERFUL — FOR YOU AND YOUR EMPLOYEES

NO INTEGRATION OR PAYROLL WORK

Employees will create a MoneyLion account using their personal email address, apply for and use Instacash on their own, and designate a personal bank account to receive their funds. No work for you!

ROBUST SECURITY PROCEDURES

MoneyLion has strict protocols in place to ensure customer privacy and security, including firewalls, encryption techniques, and multifactor authentication and customers' banking credentials are never stored.

EASY APPLICATION, NO CREDIT CHECK

To apply, employees will be asked to link their primary checking account, and MoneyLion will securely scan it for factors like income to let them know how much Instacash they qualify for. This process is all managed in the MoneyLion app.

CONVENIENCE AND EASE OF USE

Employees can get Instacash anytime via the app, and MoneyLion will collect a lump-sum repayment from their linked bank account around their next pay date. Employees can use Instacash as often as they want, up to their eligible amount, which will be shown in the app along with their payment due date.

TELL YOUR EMPLOYEES TO SIGN UP TODAY!

Send employees to [GET.MONEYLION.COM/NFP](https://get.moneylion.com/nfp) so they can create a MoneyLion account and get started. There's no work or cost for you!
